## 7. Request for Cooperation: Dietary Information Survey for Iheya Island Cycling Participants.

Iheya Island is a remote island located away from Okinawa's main island, and its medical facilities are limited. In the event of a food-related allergic reaction, it may be challenging to provide prompt medical assistance. In cases of severe allergic reactions, there could be life-threatening risks. Therefore, we are proactively collecting allergy information from participants in advance to ensure their safety.

The information from this survey will be used to take the utmost care when providing meals. To ensure that everyone can enjoy the event safely and comfortably, we kindly request that you provide accurate information.

For participants in events other than Iheya Island Cycling, if you wish to make meal modifications due to severe allergic reactions, please contact the event headquarter through the inquiry form.

# The 36th Tour de Okinawa 2024

## Cycling Division Competition Rules and Precautions

### ■ Cycling Division All 7 Events

Event Name : ① Touring Around Okinawa Island Course ② Yanbaru Century Ride ③ Warumi Bridge & Kouri Bridge Cycling  
④ Challenge Cycling ⑤ Iheya Island Cycling ⑥ Ie Island Family Cycling ⑦ Barrier-free cycling

**Cycling is not a time or speed competition. Please ride safely and aim to complete the race.**

### ■ Event Rules and Precautions Rules and Precautions

#### (1) Strict adherence to road traffic laws

- The above 7 events are cycling events, not races. No times will be competed.
- No traffic control on the course.
- Since this is a public road, do not chase, run alongside, or interrupt others, ride single file on the left side of the road, and strictly observe all traffic rules, such as stopping temporarily or stopping at red lights.
- Accompanying participants in their own vehicles is prohibited as it obstructs other traffic.

#### (2) Official Instructions

- Participants in the lead must not overtake the lead car.  
(Due to the possibility of accidents at aid stations and on the course, and the inability to provide support to participants such as course officials, etc.)
- Participants who are judged to be unable to make it to the lunch venue in time for its operation time may be collected once or have the course changed and moved to the lunch venue. In such cases, participants must follow the recommendations and instructions of the officials.
- If the event officials deem a participant's ride to be dangerous, they may stop the participant's ride.
- If it is determined that a participant cannot meet the time limit, he/she will be stopped, collected, etc., and must follow the advice and instructions of the race officials.  
(In such cases, participants must follow the advice and instructions of the race officials.)

#### (3) Bicycle maintenance, etc.

- Participants must have their bicycles serviced and inspected at a specialized store or other facility prior to participation. Unmaintained bicycles will not be allowed to participate.
- Please make your own bicycle repairs while riding.
- **Helmets (even if not for competition) must be worn.**
- Lights and reflectors (reflectors) must be installed, and lights must be turned on early in the morning, at sunset, and in tunnels.

#### (4) Accidents while riding

- First aid will be provided for any accidents that occur during the cycling but the participant must bear the burden of any subsequent treatment.
- If you wish to retire for any reason, please notify the officials and follow their instructions.

#### (5) Distribution of Completion Certificates

- After the finish line, the certificates will be distributed at the Completion card issuing station at the event site.
- \* Completion certificates for Yanbaru Century Ride, Warumi Bridge & Kouri Bridge Cycling, Iejima Family Cycling, and Challenge Cycling (Saturday event) will be issued next to the information desk at the venue.

#### (6) Regarding shipping

- The method of loading and transporting bicycles by ferry boat is to place them on top of other bicycles. Please note that the organizers will not be responsible for any damage that may occur to the bicycles due to waves, etc.

**We recommend that each runner carry a supply of food to avoid hunger knock.  
Please be careful of cars in the area, as there will be general traffic.**
